

## CHANNELING and CLAIRAUDIENCE

"SPEAK TO SETH"  
Class Series

Online Webinar and Live in Oceanside, CA  
Thursdays, in April 2018

## What is Channeling?

The ability to channel exists within us all.

When one is able to channel, one is able to connect to many other life forms, allowing a wealth of Universal insight to become available.

Through channeling, one can further increase one's intelligence, one's memory, one's emotional and physical health as well as creative

talent.

Channeling increases intuition and expands extrasensory perception where your natural Intuitive ability becomes a natural sense.

Most importantly, channeling allows you to connect with the Multidimensional Self, as well as conscious life from other dimensions and realities.

**During our 4 week Class Series we will several different modalities to raise our vibration and access Beings of Light from many realms.**
