

DOLPHINS LOVE KIDS BOAT TRIP

**December 16
FREE SEATS for Kids &
Teens!**

Hello Dolphin Friends,

Summer is the best time to come out on the boat to see dolphins and whales! The water is warm and in Dana Point, CA we have the largest population of Blue Whales in the world. The dolphins live here in our area and are always happy to come and play with us all year round. But, in the summer we can see the largest creature on the planet in our waters. That is a BLUE WHALE!

Hope to see you on the Sept. 30 boat trip from Dana Point. We have FREE SEATS for Kids and Teens!

ABOUT THE "DOLPHINS LOVE KIDS" PROGRAM LAURIE REYON

The "Dolphins Love Kids Program" was initiated by Laurie Reyon, an animal and interspecies communicator who regularly guides boat trips to view the dolphins and whales.

Our boat trips take kids and teens out to see wild and free dolphins in their natural habitat. Can you imagine being surrounded with many leaping and laughing dolphins on a beautiful boat on the ocean as we cruise into the heart of the dolphin and whale world?

Laurie Reyon says: *"I believe that just one encounter with dolphins will change the lives of the children and youth who have this experience."*

See our You Tube video: "Dolphins Love Kids" Boat Trips, Southern CA

The boat seats for the children are donated by generous donors. Perhaps you would like to donate one or more seats to our program. "Dolphins Love Kids" is a 501(c)3 program, so all donations are tax-deductible.

"Communication with the whales and dolphins is the greatest achievement the human race can aspire to." ~ Dr. John C. Lilly
