

DOLPHIN & WHALE BOAT TRIP
with a Guided Whale Healing Meditation
Messages from the Dolphins & Whales

Monday, August 5, 2019
Dana Point, California

Dolphins, Dolphins, Dolphins!

And the Big Blue Whales too!

Come see the mega-pods of dolphins that live off the coast of Southern California up close and personal with Animal Communicator Laurie Reyon! During Summer it is common to see the gentle big Blue Whales, the largest creatures on the planet. The Blue whale is up to 100' long and it is a life changing experience to see one up close.

Animal Communicator, Laurie Reyon will lead a guided Whale Meditation in the morning on the grass before the boat trip. She will also teach a communication technique that is fun to use to talk to the Dolphins when we are on the boat.

Laurie Reyon will give everyone a personal message from the Dolphins and will share some of the messages she has received from the Whales. The Whales are our elders and offer us healing, wisdom and self empowerment.

Following the boat trip we will relax on the grass and receive a deep core level healing from the Whales guided by Laurie Reyon.

Come join the group as we spend a beautiful day on the water and connect to the heart and Soul of the great Dolphin and Whales!

Dolphin Kisses and Whale Hugs,
Laurie Reyon

Dolphin & Whale Boat Trip & Meditation

Come see our Cetacean friends up close and personal with Animal Communicator Laurie Reyon on a beautiful and comfortable 55' Catamaran with two glass viewing pods!

Reyon will translate the Whale and Dolphin messages of healing, wisdom and self empowerment.

Reyon is a "Voice" for the Dolphins and Whales to speak to Humanity. Everyone will receive a special message from the Dolphins and many Empowering messages from the Cetaceans to take home. Come open your hearts to the HEALING power and WiSDOM of our Dolphin & Whale friends!
