

**Develop Your
INTUITION,
CHANNELING, AND
HEALING**

**"SPEAK TO SETH"
Class Series**

**Online Webinar and Live in Oceanside, CA
Thursdays, starting October 11, 18, 25, & Nov. 1, 2018**

We will work with your INTUITION. This includes your Clairaudient, Clairsentient, and Claircognizant abilities.

We have taught thousands of people over the years to reclaim these most amazing gifts that are your birthright.

Come play with Seth (Master Cat Puddah) as she guides you on a personal journey into consciousness that you can hear, feel, and know!

Clairaudience: (Clear-hearing) The ability to hear telepathic information in whatever language you speak from another physical or formless Being.

Clairsentience is Clear Feeling and **Claircognizance** is Clear Knowing. Your INTUITION involves the effective use of all 3 Gifts and we will help you activate them.

Imagine the possibilities in your life and the changes you can make when you actively begin to TRUST and USE your amazing God Given Gifts!

What is Channeling?

The ability to channel exists within us all.

When one is able to channel, one is able to connect to many other life forms, allowing a wealth of Universal insight to become available.

Through channeling, one can further increase one's intelligence, one's memory, one's emotional and physical health as well as creative

talent.

Channeling increases intuition and expands extrasensory perception where your

natural Intuitive ability becomes a natural sense.

Most importantly, channeling allows you to connect with the Multidimensional Self, as well as conscious life from other dimensions and realities.

During our 4 week Class Series we will utilize several different modalities to raise our vibration and access Beings of Light from many realms.

HEALING WITH A BEING OF LOVE AND LIGHT THAT YOU ARE CHANNELING

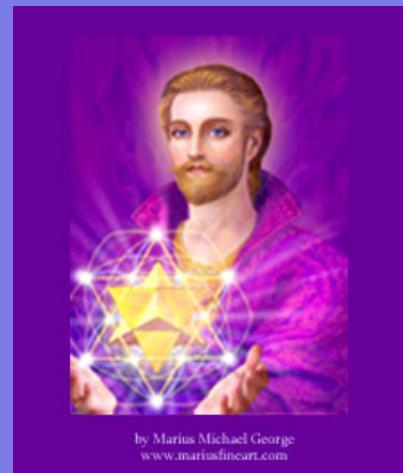

As we move into the realms of love and light and allow a BEING to approach us. We will choose to access the HEALING WISDOM that can come to us from own Channeling. We will seek to bring forth information that can assist us in raising our own vibration and in seeking health and well being.

Realms Include: Angelic, Elemental, Andara Crystals, Ascended Masters, Power Animals and Star Beings.

Reasons to Channel a Being of Light:

- Self-Empowerment in Your Life
- Raising Your Vibration
- Expanding Your Consciousness
- Receiving Messages that Benefit Humanity
- To Write a Book, Create a Class
- Assist others through Coaching or Spiritual Processes
- Discover Healing Processes and Modalities

Seth Quote as channeled by Jane Roberts:

"You are a multidimensional personality. Trust the miracle of your own being. Make no divisions between the physical and the spiritual in your lifetimes, for the spiritual speaks with a physical voice and the corporeal body is the creation of the spirit."
