## Dolphins, Dolphins, Dolphins!

### And Whales too!

Come see the mega-pods of dolphins that live off the coast of Southern California up close and personal with Animal Communicator Laurie Reyon! We may also see migrating Gray or Humpback Whales!

Reyon will translate the Dolphin messages of healing, wisdom and self empowerment.

Are you guided to join us? The dolphins offer us their joy, playful spirits, and wonderful healing energies when we see them from our boat!

Come meditate in a group as we connect to the Dolphin and Whale Emissaries of Joy!
