Many times throughout the ages, Kings, Queens, Mystics and Spiritual Leaders have received Celestial Channeled Messages of empowerment to assist others.

Seth Quote as channeled by Jane Roberts:

"You are a multidimensional personality. Trust the miracle of your own being. Make no divisions between the physical and the spiritual in your lifetimes, for the spiritual speaks with a physical voice and the corporeal body is the creation of the spirit."

"Dolphins & Whales Forever"

In this extraordinarily touching and heart-felt book, twenty cetacean ambassadors, visionaries, communicators, and facilitators of transformation share their personal stories of dolphin and whale encounters that changed their lives forever. The unique connection they each share with cetaceans has become their personal doorway to transformation, higher wisdom, and the ability to facilitate physical and emotional healing within themselves and others.

"I am proud to be a contributing author! This is my story of how I became an Animal Communicator, and then an Inter Species Communicator. In this book I am able to tell the amazing stories of how "Puddah" became my teacher and partner and how I became a Soul Healer."
