**The training you will receive in the Whale & Dolphin Energy School comes

year of this training being made available to the public. I will be sharing
the work of 17 years, which includes the channeling from the Great
Cetaceans. You will be taught wisdom and healing techniques and
modalities that I have used successfully on thousands of people. It is
time to share these energy healing secrets with others that are guided to
learn from the Great Whales and Dolphins. .**

**The Energy Medicine School will teach you multiple levels of Core Level
Healing, guided by the consciousness of the 13 Great White Whales, the
Councils of the Humpback Whales of Planet Earth, the 12 Ascended
Dolphin Masters and the consciousness of the many species of Dolphins.**

**Two Modules will be offered to the participants. Each Module is 30 hours
of training over about 3 months. Those participants that complete the
Module courses, will graduate and be offered an internship program, that

**Class training is held online and recorded for all students, and offered in
person in Oceanside, CA. Classes are held on Sundays and the schedule is
below.**

Module 1 Includes:

- Training in 12 Templates of Light Body Activation guided by the 13
White Whales who carry the Codes of Creation.**
- Training in Channeling each of the 13 White Whales to receive specific
Guidance for each client.**
- Study of the History and Power of the Great Humpback Whales of Planet
Earth; including their Star Lineage and Akashic Records.**

- Training your mind and body to be a grounded conduit for the Cetacean energies to move through to your human clients seeking healing.

- Study of the first 2 Layers of our DNA. Information will be taught on how to utilize this knowledge of our DNA to help your clients move through emotional blocks and recalibrate their DNA with assistance from the Cetaceans.

At the completion of Module 1 each trainee will be certified to begin an Internship, working with clients to hone their new skills and to begin a practice of their own offering Whale & Dolphin Energy Light Medicine to others.

Module 2 Includes:

- Training and further study the workings of human DNA and it's 12 Lavers. This Module is a mirror into the potentials of humanity's potential to activate and utilize our entire 12 strands of DNA, moving into an accelerated Ascension pathway.

-Dolphin Quote: "The Dolphins are the designated KEEPERS of the human DNA template system. They receive infusions of DNA activations through the earth's ocean systems from Creator. It is their given task to process this information internally and calibrate the actual DNA that is perfect and right for each person."

- The Dolphins will guide us, as they are highly advanced Super Sentient Beings that are the Masters of DNA Recalibration for the humans. They are able to shift old energies very quickly with their healing frequencies. They work in partnership with the Great Humpback Whales to facilitate accelerated healing and integration of wisdom. They are a part of the energy and frequencies that are Co-Creating the New Earth. They are Master Teachers from the Stars living on Planet Earth as an example of how we can live in health, peace and harmony, outside of competition and lower 3rd Dimensional choices.

- Module 2 is a powerful study of the 12 Lavers of Human DNA and science of Epigenetics. The Dolphins are teaching us that our inherited genes do not predetermine and control our physiology or our behaviors. They are the Masters of activating our DNA when we approach them for assistance. The Dolphins tell us that true healing is applied consciousness in motion, where nothing is pre-determined. They assist us in shaping our biology where we become the Masters of our Lives.

At the completion of Module 2 each trainee will have the opportunity to begin an Internship, working with clients to hone their new skills and to

begin a practice of their own offering Whale & Dolphin Energy Light Medicine to others. At the conclusion of the Internship which is 4-6 months, you will be Certified as a professional Whale and Dolphin Energy Light Medicine Practitioner.

Note: There is no pressure to take the courses and become a professional Certified Practitioner. Many of our students take the courses for personal growth and greatly deepen their ability to heal themselves with the processes that are taught. You develop a real and lasting relationship with the Whales and Dolphins and this is yours for life.
