In this workshop we will assist you in using your Living Light Body or Merkaba to achieve higher states of consciousness and communication. We will use our intention and meditation to create a vehicle for our Light Body, or Orb to communicate with other sentient Light Beings in the physical and in formless consciousness.

Laurie Reyon studied the Flower of Life Teachings with Drunvalo Melchizedek, and has taught the Merkaba Meditation and Orb Travel for five years

In our workshop we will enter into the sacred space of the heart, asking to feel Love for all Beings. We will intend to achieve conscious orb travel and communication.

During this class we will assist you in connecting your heart to your Pineal or 3rd Eye for enhanced

Inter Species communication.

We feel it is time for those who are ready to begin conscious communication with other Celestial Light Beings and Angelics that are serving the greater good for Earth and Humanity.

Merkaba Levels of Consciousness:

The ascension process is a process of change in your systems of reality.

In the third dimensional old system of reality, the body was the bearer of your consciousness in the physical.

In the new reality system that you are entering, your physical body will transform into a bearer of

consciousness that is inter-dimensional.

Your Higher Self can assist you in creating your Lightbody which will then prepare you to freely transition into other higher dimensional realities.

Our intention is to guide you into 5th dimensional possibilities through inter-dimensional travel. Your Lightbody, or Merkaba is the vehicle that allows you to make direct and intimate connection to fifth dimensional realities and higher.
