connect to the wisdom of "Dragon Consciousness."**

this time of Great  
Change! Together, they

### **The Golden Dolphins**

In 2024 the Golden Dolphin Avatars are speaking out and asking us to see “The Bigger Picture.” The Spiritual Overview for our planet shows us that we are in the midst of many powerful shifts. The Golden Dolphins offer us the opportunity to hear their wisdom and receive their healing as we take a quantum leap forward. They can assist us in awakening to deeper levels of truth, and assist us in claiming our abilities and gifts. The goal is to be able to continue to expand your individual consciousness while offering yourself a greater path of Service to humanity and Mother Earth. In this workshop the Golden Dolphins will guide us into understanding the Avatar Consciousness and way of living. They will offer everyone a deep core level DNA healing and alignment.

**and a life of true freedom.**

**Dragons are Ascended Ancient Wisdom Keepers and hold many of the Codes of Divinity and Creation which will assist us in establishing Unity Consciousness on our planet. They are Ascended Beings and tell me that it is time for many Light Workers to make a conscious intention and effort to connect with them.**

**There are 22 Golden Dragons within the Earth that are awakening now. In this Workshop we will introduce them to you. The Mother Golden Dragon Sarajeska will take us on a guided journey into Hollow Earth into the Dragon Sacred Healing Chamber**

**GOLDEN DOLPHIN MESSAGE ABOUT PHYSICALITY**

**Do you want to raise Your Vibration and heal your Physical Form?**

It is time to actively work to align your physical body to its new role. In the new world, your Spirit integrates into your body to a much larger degree than you previously experienced. This merger has a natural physical healing effect in many areas as the physical body amplifies heart energy into every cell of your body. This will ignite your Spirit preparing you for the road ahead. We are to find peace and gratitude in our new given strength. New Source codes will continue to prepare us, and we will gain greater Spiritual confidence. It is about forming a new relationship with your physical body so that the path ahead becomes easier.

**The Golden Dolphins teach that it is through sharing the energy of New Earth, through our own experiences, vibration and frequency that we can expand our state of consciousness.**

**They assist us as Epigeneticists in feeling more magic and Love, thereby calibrating our dormant DNA and clearing any toxins or blocks within.**

**The Dolphins are the Masters of Conscious Creation, demonstrating how to expand and embody more Light through intention.**
