Certified Practitioner Training in Two Modules

Are you called to work with Higher Consciousness in the Healing Realms with the Great Whales & Dolphins?

The training you will receive in the Whale & Dolphin Energy Medicine School comes from the Group consciousness of the Great Cetaceans. 2023 is the fifth year of this training being made available to the public. I will be sharing the work of 19 years, which includes channeling from the Great Cetaceans. You will be taught wisdom and healing techniques and modalities that I have used successfully on thousands of people. It is time to share these energy healing secrets with others that are guided to learn from the Great Whales and Dolphins. We call it the Miracle Zone, as we study with the Elders of our planet!

We are proud to share that we now have Certified Practitioners in 16 countries offering professional Whale and Dolphin Energy Medicine sessions.

The Energy Medicine School will teach you multiple levels of Core Level Healing processes, guided by the consciousness of the 13 Great White Whales, the Councils of the Humpback Whales of Planet Earth, the 12 Ascended Dolphin Masters and the consciousness of the many species of Dolphins.

Two Modules will be offered to the participants. Each Module is 30 hours of training over about 2 months. Those participants that complete the Module courses, will graduate and be offered an internship program, that is optional. At the conclusion you will become a Professional Certified Practitioner of Whale & Dolphin Energy Light Medicine.

Class training is held online via Zoom webinars. All recordings of classes are posted on a Private Web page made available to all students for 24/7 support. You do not have to be physically present during the classes to do this work successfully.

You are welcome to take the training for your own personal growth, or to seek professional certification for a career in healing.

Classes are held on Sundays and the schedule is below.

Module 1 Includes: Your Training Manual and support materials

- Training in 12 Templates of Light Body Activation guided by the 13 White Whales who carry the Codes of Creation.**
- Training in Channeling each of the 13 White Whales to receive specific Guidance for each client.**
- Training in facilitating a Whale Healing and Clearing Session**
- Study of the History and Power of the Great Humpback Whales of Planet Earth; including their Star Lineage and Akashic Records.**
- Training your mind and body to be a grounded conduit for the Cetacean energies to move through to your human clients seeking healing.**
- Basic study of the first 2 Layers of our DNA. Information will be taught on how to utilize this knowledge of our DNA to help your clients move through emotional blocks and recalibrate their DNA with assistance from the Cetaceans.**
- Study and practice of Channeling the Messages of the Great Whales**

Throughout Module 1 you will work with classmates, friends and family with the healing practice assignments to perfect your skills.

Homework is given that must be completed and turned back in for those seeking to graduate the course and become a Certified Practitioner.

Some have enjoyed taking the Course for their own personal expansion and growth. There is no pressure to perform or turn in homework from this perspective and all are welcome.

At the successful completion of Module 1 each student will be eligible to begin Module 2.

Module 2 Includes: Your Training Manual and Support Materials

- Training and further study the workings of human DNA and it's 12 Lavers. This Module is a mirror into the potentials of humanity's potential to activate and utilize our entire 12 strands of DNA, moving into an accelerated Ascension pathway.**

-Dolphin Quote: “The Dolphins are the designated KEEPERS of the human DNA template system. They receive infusions of DNA activations through the earth’s ocean systems from Creator. It is their given task to process this information internally and calibrate the actual DNA that is perfect and right for each person.”

- The Dolphins will guide us, as they are highly advanced Super Sentient Beings that are the Masters of DNA Recalibration for the humans. They are able to shift old energies very quickly with their healing frequencies. They work in partnership with the Great Humpback Whales to facilitate accelerated healing and integration of wisdom. They are a part of the energy and frequencies that are Co-Creating the New Earth. They are Master Teachers from the Stars living on Planet Earth as an example of how we can live in health, peace and harmony, outside of competition and lower 3rd Dimensional choices.

- Module 2 is a powerful study of the 12 Layers of Human DNA and science of Epigenetics. The Dolphins are teaching us that our inherited genes do not predetermine and control our physiology or our behaviors. They are the Masters of activating our DNA when we approach them for assistance. The Dolphins tell us that true healing is applied consciousness in motion, where nothing is pre-determined. They assist us in shaping our biology where we become the Masters of our Lives.

Throughout the Course, you will work with classmates, friends and family with the healing practice assignments to perfect your skills.

Homework is given to be completed and turned back in for those seeking to graduate the course and become a Certified Practitioner.

At the completion of Module 2 each student will have the opportunity to begin an Internship period of four months. You will be working with clients to hone your new skills and to prepare for a healing practice of your own. You will work with 12 or more clients, offering a variety of Whale & Dolphin Energy Light Medicine sessions for others. At the conclusion of the Internship which is approx. 4 months, you will be Certified as a professional Whale and Dolphin Energy Light Medicine Practitioner. At this point you will have our support as you build your own successful practice.

Note: There is no pressure to take the courses and become a professional Certified Practitioner. Many of our students take the courses for their own personal growth and expansion. Many students have been able to greatly deepen their ability to heal themselves with the processes that are

taught. You will develop a real and lasting relationship with the Whales and Dolphins, and this is yours for life.
