**Everyone has this organ that is located in between the two halves of your brain. The Pineal gland, often referred to as the 3<sup>rd</sup> Eye, is the biological organ that allows you to communicate with Spirit, with your Master Guides, with the Angels and with the Animals.**

**Everyone has a Pineal gland, but only a small percentage of the population uses it to communicate and use their innate ability to be Clairaudient. Some people are born with an activated 3<sup>rd</sup> eye and some have to practice. But know that everyone has this ability. Intention to use it is everything!**

**I was born with an activated 3<sup>rd</sup> eye and quite naturally spoke to the animals. I did not consider it a gift when I was a child, as I thought everyone could talk to animals if they wanted to. In later years as an adult and while I was in college I shut off a big part of this gift as I entered the analytical world.**

**It was after an accident in 1994 and a near death experience that I re-activated this gift and realized how incredibly valuable it is to be able to speak directly to my Guides and of course to my own animals.**

**During the last ten years I have spent a lot of time coaching others to be able to speak to their Guides too! I have developed processes and have been given some through study. During this class I will teach and share three processes that have been really helpful for others to develop their 3<sup>rd</sup> eye, their Intuition and communication with their Master Guides. It is amazing!**

**In this class we will also study some of the processes that are taught by Drunvalo Melchizedek through the Flower of Life teachings. One is called the 8 Beams of Light and is very powerful to help the individual activate and balance their 3<sup>rd</sup> Eye/Pineal.**

**In summary, the process of remembering, activating and using the 3<sup>rd</sup> eye effectively is based on Living from the Heart. Love is the vibration we align with each day to claim our amazing gift of Clairaudience.**

**We will help everyone move their energy out of their mind and from living in duality or polarization.**

**We will return to the ancient art of Living in Your All Knowing, All Loving Heart!**
