

**COMMUNICATION with YOUR
GUIDES and ANGELS**

Sunday, January 29, 2023

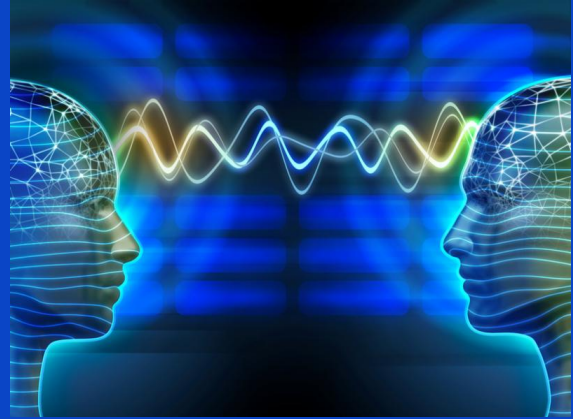

Did you know that ALL humans have the ability to Communicate clearly with Spirit? This includes your Higher Self, Angels, Animals and other humans who are willing.

your ability to communicate telepathically. Your Intuition connects you to your Higher Self and allows you to access Higher wisdom.

This gift is sometimes called Clairaudience, or Clairsentience. In modern times we call it Intuition. This great gift was given to everyone and is innate. It simply needs some attention and practice to fully activate and give you

When you can fully enter your heart and shut down the mind or brain, you can connect your heart to your 3rd Eye or pineal gland. The 3rd eye is your own personal crystalline communication device.

Your life and how you communicate will really begin to change when you learn and use this activation.

Much of the success of your life and how you manifest is based on how well you communicate. Open to your own amazing ability to communicate from your heart and anything becomes possible! Living your Soul's dream and your Divine Life Purpose becomes possible.

I believe it is important to develop and trust your ability to communicate clearly. It is my intention that you will find your truest self and really get to know your personal Guides. I encourage everyone to tune into your Soul or Higher Self every day for your wisdom. I am a Telepathic Teacher, Animal and

Angel Communicator and I am delighted to coach YOU and help you achieve this amazing ability

**WHY DEVELOP YOUR GIFTS INCLUDING YOUR INTUITION?
There are MANY BENEFITS!**

Receive clear communication from your Higher Self and your Guide team. Overcome obstacles, blocks, fears and uncertainty. Move into your truest Life Path and create abundance for yourself. Communicate clearly with your Animals and Angels that surround you. Never feel alone when making important decisions. Put into practice what you have only dreamed of. Access the consciousness of the Cosmos and use it wisely.

Intuition is innate within each of us. It could be considered part of your connection to your Guides. It can keep you connected to your Soul or Higher Self and access higher wisdom. When you choose to develop and use your Intuition, your creativity will expand and bring you great joy as well as help you be effective in your life and work. Your Intuition will help you perceive the truth in any situation and help you make wise choices that support your mission and your physical well-being. On a larger scale, Intuitives are invaluable in our society! You will have a broader scope of communication and the ability to Guide the many as you access the higher wisdom and choices that provide support.
