and is available to you now.

It is SELF EMPOWERMENT at it's best when we can really remember our own Star Lineage. Every cell in your body responds to truth when it is heard and remembered. This truth allows you to begin to claim a higher vibration and embody more Light.

IAs we expand our consciousness we come into self-awareness  
and we begin to access Mastery in our lives.  
Manifestation is much easier as we use Solution Energy in  
our daily lives.  
We become Conscious Creators and we move into  
Intentional Evolution!

This is the time when Your Soul is longing for you to remember Who You  
Really Are. Re-establish Communication with your  
Star Family.

When you have the knowledge of your true self within you activated,  
**you can easily release core issues and heal yourself  
as you no longer wish to live in duality.**

The TEACHINGS of SETH are about living and creating from your heart and  
knowing that you are the Creator of your own experience.
