## **What is INTUITION or CLAIRAUDIENCE?**

We all have the ability develop our inner hearing ability and that which we call Inner Guidance or Intuition.

When one is able to clearly hear Communications from your own Personal Master Guides, your Angels or your Animal friends, your life is greatly enhanced.

There is nothing more important than developing

clear communications from your Team, on a daily basis. They have SO MUCH to share with you and they want to help and GUIDE YOU!

I am a Telepath and have cultivated this precious gift since 1994. I want everyone to know that they can develop their gift too!

When you make a true heart connection with your 3<sup>rd</sup> Eye - Pineal Gland the energy becomes available for you to communicate using Clairaudience or Telepathy.

Accessing Your Intuition with pure Intention will further increase one's intelligence, one's memory, one's emotional and physical health as well as creative talent.

Your intuition will naturally expand with practices we will teach you. Your extra-sensory perception skills will become natural and so valuable.

**During our 4 week Class Series we will teach several different modalities to raise your vibration and make using and trusting your Intuition or Telepathic abilities fun very real and very valuable to you.**

*"You are a multidimensional personality. Trust the miracle of your own being. Make no divisions between the physical and the spiritual in your lifetimes, for the spiritual speaks with a physical voice and the corporeal body is the creation of the spirit."*
