The Creation Station

With Laurie Reyon & Master Cat Puddah-Seth

Hello Soul Family and Happy Spring!

It seems that time is greatly accelerated right now, more than before. The days pass so quickly as we are collectively entering into the next stage of our Soul's Evolution. I know my clients and I are deepening our relationships with our Higher Selves, while staying committed to continued and deep clearing and purging of old

cellular memories, false beliefs and judgments.

We use Whale sounds to clear our home each day and in every healing session. The Humpback Whales are the Elders, and they sing the Songs of Creation that are coded to create the sacred star tetrahedron molecule in your water cells. Listening to them is an instant upgrade for your body and your home. Everyone feels better!

We suggest everyone continue to move into being a “Conscious Creator” in thought, word and deed. Ask to connect to your Soul and merge. As we continue to do this, we can experience our multidimensional Self and come deeper into the feeling and knowing of our own Divinity. At the Soul level we are purity and innocence, and radiate the Light of God from our hearts. Let us continue to consciously integrate deeper levels of our Soul/Photonic Light within our physical body. We can then continue to expand and hold our Consciousness within the higher dimensional fields of Light. The Whales and Dolphins continue to advise us and work with us to create and anchor our Light bodies. Our water-based bodies continue to transform into more crystalline light as we upgrade our cellular systems to hold the higher dimensional frequencies of Cosmic Christ Consciousness. Be kind to yourself and nurture these changes. Everyone needs more sleep right now and a quiet, sacred place to live within. The easiest way to stay grounded, centered and open to these magnificent changes is to stay in your heart and surrender the mind. Love is the answer, and this is a time to be gentle and kind.

I am very happy to announce that we have launched the marketing for our June 29-30 and July 1 LEMURIA AWAKENING RETREAT! **MODERN DAY MYSTICISM
Online ZOOM Class
Saturday, April 16, 2022
1-4 pm., Pacific Time
ONLINE Zoom Class**

In this class we will explore Contemporary Mysticism which involves awakening Your Intuition. We all have it, but with many of us we spend too much time in the mind, and we do not trust our own ability to receive clear communication from Spirit. Mysticism can be described as an elevated state or vibration where we have access to Divine knowledge. This knowledge can be accessed through intent, meditation and allowing your belief system to expand to include communication with Spirit. Mysticism is often associated with Higher truths often considered Spiritual knowledge that is normally not accessible by the human intellect. We will work with

Your ability to make the heart and brain connection viable. The Solution Energy and the Mysticism you seek is in your heart. We will explore MODERN DAY MASTERY and MYSTICISM together.

CORONA VIRUS HEALING AND IMMUNITY SHIELD from the WHITE WHALES REPLAY

**Purchase Your ONLINE "Seat"
to have access to 4 different Recorded Sessions to
use at your convenience.
Over 8000 have successfully experienced this
Healing with the Whales.**

The whales are the elders on our planet with some 300 plus million years of experience. The Humpback whales have shared with me that they are here as stewards for humanity and always have been. They have amazing healing abilities. However, never before have we specifically worked together to disable a virus. The Whales have shown me a process to summon them ethically. They have said they will answer the call to come to specific homes and people that ask for their help, and they will disable the virus if it is present. They will also create a Shield of Light around the people that ask for this healing and they will create an instant immunity to the corona virus. The virus will be repelled with this harmonic and the new resonant Shield of Light using scalar waves. The virus will then be harmless to those that choose to upgrade their physical vehicles with the assistance of the Great Whales.
