Laurie Reyon &

Hello Soul Family,

It is once again the Holiday season! As you prepare for your family gatherings and special events, we wish you the very best! It is truly a time to express your gratitude and remember to be in our hearts as we celebrate the Christmas Season.

Master Puddah and I are staying home this Holiday season and spending time at the beach, and with friends. I am always grateful for the free time to go lounge in the sun at the beach. This is one of the perks of living in San Diego. I also plan to be out on the boat a few times playing with the wild and free dolphins and migrating whales.

Regarding classes, we have an Animal Communication class on Dec 12. Everyone shares pictures of your animal friends with the class, either living or transitioned that they want to communicate with. If you are wanting to expand your animal communication skills, this is a great class to practice with others.

Jan 8th we are offering a class where you can learn to communicate with your Master Guides. It is called the "Language of Spirit." It is important for me to share this skill with everyone who wants to establish a relationship with their Guides and begin a new level of communication.

Then Jan 16 we start the new Whale and Dolphin Energy Medicine School classes. This is our 4th year training certified practitioners in the healing arts of creating Light Body with the White Whales, and assisting the Dolphins in calibrating the human DNA templates. It's exciting and packed with wonderful experiences to raise your vibration and expand your consciousness. We are now in 14 countries and adding three languages to the manuals and materials. Are you looking to become a healer, either full time or part time? Read more on our site about how you can get involved: [Healing School \(lauriereyon.com\)](http://lauriereyon.com)

Even though we still have some challenges to overcome, I must share from my heart that life is absolutely amazing and magical. More than ever, I see more people awakening to the truth of who they really are. More and more people are moving into their hearts and become more of a Conscious Creator as we remember that what we think and say and feel, we create!

During the Holiday season we are guided to remember the teachings of those who came before us to assist us. As we celebrate Christmas and the birth of Jesus, we can remember what he taught. He was truly a Master teacher in how to use self-empowerment to rise up in our vibrations in every thought, word and deed. Never was or will there be a more powerful teaching than his advice, "Love One Another." Love is always the answer.

I am reminded to count my many blessings during the Holidays. Each of you are a part of that which I am truly grateful for. Thank you for being a part of our lives and bringing your precious energy and self to this world.

Celebrate life, with love in your hearts! Happy Joyous Holidays to all!

**DEVELOP YOUR TELEPATHY &
ACTIVATE YOUR PINEAL GLAND -
THIRD EYE**

**Saturday, February 5, 2022
1-4 pm., Pacific Time
ONLINE Zoom Class**

Everyone has this organ that is located in between the two halves of your brain. The Pineal gland, often referred to as the 3rd Eye, is the biological organ that allows you to communicate with Spirit, with your Master Guides, with the Angels and with the Animals.

Everyone has a Pineal gland, but only a small percentage of the population uses it to communicate and use their innate ability to be Clairaudient. Some people are born with an activated 3rd eye and some have to practice. But know that everyone has this ability. Intention and practice to use it is everything!

During the last ten years I have spent a lot of time coaching others to communicate telepathically. In this class I will share and teach processes that have been really helpful for others to develop their 3rd eye, their Intuition, and to communicate with their Guides, Angels, and Animal friends.

CORONA VIRUS HEALING AND IMMUNITY SHIELD from the WHITE WHALES REPLAY

Purchase Your ONLINE "Seat" to have access to 4 different Recorded Sessions to use at your convenience. Over 8000 have successfully experienced this Healing with the Whales.

The whales are the elders on our planet with some 300 plus million years of experience. The Humpback whales have shared with me that they are here as stewards for humanity and always have been. They have amazing healing abilities. However, never before have we specifically worked together to disable a virus. The Whales have shown me a process to summon them etherically. They have said they will answer the call to come to specific homes and people that ask for their help, and they will disable the virus if it is present. They will also create a Shield of Light around the people that ask for this healing and they will create an instant immunity to the corona virus. The virus will be repelled with this harmonic and the new resonant Shield of Light using scalar waves. The virus will then be harmless to those that choose to upgrade their physical vehicles with the assistance of the Great Whales.
