"Ascension Guidance for the New Earth"
February 2023

The Creation Station

With Laurie Reyon & Master Cat Puddah-Seth

Hello Soul Family,

We hope you are all enjoying the powerful and expansive energy of 2023. I believe that 2023 will bring everyone the opportunity to move deep into their hearts and tap into unconditional love. The codes of creation are being stimulated as it is time for humanity to fully awaken. Many will experience the magic and the mystical that lies on the other side of the veil. The time for peace and the deeper emergence of a true spiritual consciousness is upon us. The attraction to beauty, and a profound sense of oneness will enable us and help everyone begin to rebuild that

which has been destroyed in recent years.

Many cultures believe that Jan 22 is the true start of the New Year. This year it also marks the beginning of the Chinese New Year which is described as the year of the Water Rabbit.

I believe that this year we will be able to dare and do those things we have only dreamt of. Continue to lighten your load, working with forgiveness and truly dedicating yourself to living in the heart, creating only loving thoughts, words and deeds. This will create a life where you can now reap what you have sown. I believe 2023 will offer us more peace, creativity and harmony.

Clear and conscious communication will prevail for the Light Workers. It is a time to be very clear with your intentions, asking for what you need and want. This is a year to face your challenges with courage and determination. Make responsible decisions and follow through with integrity and you will be blessed.

The Winter Solstice on Dec 21st began a new 12 year cycle with Jupiter moving into Aries. Many will break free from the past with optimism and courage. It is time to create a foundation of deep self-love and independence. The collective will have the opportunity to feel that there is nothing one cannot achieve in this new energy. The inner drive to manifest your deepest dreams will be strong. Be fearless and back up your intentions with day to day grounded positive actions. 2023 is truly a time to fly, and to move forward with faith to build a better world for self and for others.

2023 is a '7' year (add 2+0+2+3). A 7 year represents a time for deep, inner introspection and reflection. The number 7 is associated with the magical or metaphysical. It is associated with the path of ancient mysticism. We predict that more and more of you will choose to go within as you are called to know your true and authentic self. It is a time for uncovering parts of your Soul's mission that you have yet to discover and explore. As you choose positive thoughts, words and deeds you will naturally raise your vibration, and you will feel motivated and inspired to seek truth and wisdom. We predict more people will embrace further awakening of their Soul, choosing inner introspection and reflection. 2023 is a time to get in touch with your emotions and to trust your intuition. This will lead to finding deeper levels of faith. By allowing your belief systems to change and expand, you will naturally surrender to a powerful partnership with your Higher Self or Soul.

Living Consciously is one of the bravest and most courageous acts we can take. The steps are not complicated, but it takes commitment to choose kindness every day, as we make all choices from our hearts. Use this time to visualize yourself on a launch pad with plenty of rocket fuel. Light your own fuse and experience a positive, explosive and conscious growth wave in your life!

We have a fantastic and unique class in February called Discover Your Galactic Lineage and Connect to Your Star Family. In 2014 I began to channel the Higher Aspect of Master Cat Puddah, known as the ancient Being "Seth". Seth is a Master of Cosmology and knows the history of our Earth and the Star Families in this Galaxy. Those Souls are our star family who very much want to connect to us now to assist us. These two classes on Feb 19 and 26 will enlighten you, as Seth shares deeply on our Galactic history and your place within it. Seth will help you remember your own Galactic history and talk about Who you really are.

Check out the Virtual Conference called EXPAND YOUR CONSCIOUSNESS. This webinar will be held online on March 18 and 19. We have some fantastic, amazing and powerful Speakers lined up to share their wisdom, healing modalities and new levels of consciousness for all. Take a moment to check out our lineup on our website at LaurieReyon.com.

My last announcement is that we are holding another LEMURIA AWAKENING Retreat this time in Southern CA in June. Check out our 4 day event that will be held in Dana Point and Laguna Beach from June 19-22. The first two days will be a conference held at the Marriott in Dana Point and also available online. The 3rd day will be a Beach Ceremony where we build a medicine wheel, hold a crystal Ceremony and Global Water Blessing. We will journey through the Crystal portal in the ocean, guided by the Whales to the Lemurian City under Mount Shasta. The 4th day is the Summer Solstice with an optional Whale and Dolphin Boat trip to see wild and free dolphins and whales. I will share channeled messages from the Cetaceans before the boat trip and then guide everyone in a Whale Healing meditation on the grass after the Boat Trip.

Last year, Lauren Galey of New Earth One and I co-created the first Lemuria Awakening Retreat at Mount Shasta. It was so well-attended and so successful we are continuing to share the Lemurian teachings and channeling this year.

We hope you can join us!

May you be filled with Joy, Love and Light and share it with others!

*We bless you all,
I AM Laurie Reyon*

REPLAY**

**Purchase Your ONLINE "Seat"

Over 8000 have successfully experienced this
Healing with the Whales.**

**The whales are the elders on our planet with some 300 plus
million years of experience. The Humpback whales have shared with me that they are here as
stewards for humanity and always have been. They have amazing healing abilities.
However, never before have we specifically worked together to disable a virus. The Whales have
shown me a process to summon them etherically. They have said they will answer the call to
come to specific homes and people that ask for their help, and they will disable the virus if it is
present. They will also create a Shield of Light around the people that ask for this healing and
they will create an instant immunity to the corona virus. The virus will be repelled with this
harmonic and the new resonant Shield of Light using scalar waves. The virus will then be
harmless to those that choose to upgrade their physical vehicles with the assistance of the Great
Whales.**
