The Creation Station

With Laurie Reyon & Master Cat Puddah-Seth

Hello Soul Family!

Happy Summer and best wishes to each of you. We are living in an absolutely amazing time. The Earth and our very bodies are under construction as we are being transformed from a carbon based water body to a crystalline Light Body.

I feel so blessed to be working each day with the wisdom and powerful healing practices that the Great Whales and Dolphins offer us. They truly are our Elders with the keys to the blocks that we have taken on.

I know many of you are feeling tired and overwhelmed at times as we process the energies that are coming to the Earth - just recently the Eclipse and now the upcoming Summer Solstice. All of this is designed to move us from a lower 3D existence in duality to a 5D reality of peace and harmony. You have so much love and support around you, it is important to ask for help and let it in. The only thing holding us back is ourselves. It is time to ground and take time to create a foundation of deep self-love. Honor the Divinity within you and remember everything is not just what you see in 3D. Ask yourself if your physical body is ready for this transition? Are you seeking to tune up your gifts of Clairaudience, Clairsentience and continue to cleanse and purge your form? It is time to embrace the new and expect things to be better and much different. We are moving into a multidimensional existence. Be committed and brave and continue to be in touch with your own intentions. Let the Light in dear ones.

In my world, we are preparing for the most important retreat we have ever offered. It will take place at Mount Shasta on June 29, 30th and July 1st. It is called Lemuria Awakening and we are hosting incredible international speakers on this topic. Check it out as you can participate Online via Live Stream or come in person. Mount Shasta is a sacred portal of Light and houses the Telosians who live under the mountain. They are remaining inhabitants of Lemuria some 26,000 years ago. They live in a 5D reality and will interface with those who are ready for their wisdom and friendship.

Please watch our Retreat Preview Video. It features Lauren Galey of New Earth One and myself who co-created this wonderful event and opportunity.

Master Puddah – Seth will be with me as well as our crystal skull Altazar. We will be sharing advanced healing techniques from the Great White Whales and DNA recalibration techniques from the Ascended Dolphins. There is so much to share with you. Please view this document for details. We truly hope to see you there in person or Online during the Lemurian Awakening Retreat.

I am also so pleased to tell you that Dr. Todd Ovokaitys is presenting at the retreat and is also launching his new Age Reversal and Stem Cell healing sessions. One treatment can reverse 3 years! Dr. Todd has been recognized by Kryon as the first human during Lemurian times. He created the crystal Healing temples and pyramids for anti-aging at that time. He is back, and in this life offering humanity the opportunity to live a long and healthy life. Here is a quote from Dr. Todd:

Dr. Todd will share a brief overview of his work with a profound type of stem cell that resides dormant in everyone that can be activated for profound age reversal effects. Thus far they have seen a usual 3 years biological age reversal at the DNA level per treatment. With 4 treatments, 12 year biological age reversal has been seen, the most in medical history. Imbued in nutritional chemistry and subjected to controlled clinical trials, extraordinary biological benefits and regeneration have been seen. Applied to agricultural nutrients, multiples of yield increases have been seen and nutrient densities in the sap have increased 300% or more. Use of this tech can produce much higher yields of high vibrational nutrient dense food that supports greater health and wellness, life extension and even enhanced awareness.

There is so much to share about the speakers and ceremonies. Please visit our website at LaurieReyon.com for all the details and to register.

Note: The REPLAY of this conference will be available until 10-1-2022.

Over 8000 have successfully experienced this
Healing with the Whales.**

The whales are the elders on our planet with some 300 plus million years of experience. The Humpback whales have shared with me that they are here as stewards for humanity and always have been. They have amazing healing abilities. However, never before have we specifically worked together to disable a virus. The Whales have shown me a process to summon them etherically. They have said they will answer the call to

come to specific homes and people that ask for their help, and they will disable the virus if it is present. They will also create a Shield of Light around the people that ask for this healing and they will create an instant immunity to the corona virus. The virus will be repelled with this harmonic and the new resonant Shield of Light using scalar waves. The virus will then be harmless to those that choose to upgrade their physical vehicles with the assistance of the Great Whales.
