The Creation Station

With Laurie Reyon & Master Cat Puddah-Seth

Hello Beloved Soul Family,

Here we are into the month of March already! Time is just flying by as we move deeper into 2022. February was packed with important days of energetic downloads and the opening of the vast portal on 2-22-2022. We hope you feel changed and shifted for the better as Spirit gifted all of us with a powerful opportunity to grow and expand.

We have some terrific plans for upcoming classes and workshops early this year. Master Puddah and I and our new family member Lukas are working with the Whales, Dolphins and Master Guides to prepare some amazing classes, and a powerful and exciting Lemurian Awakening Retreat in June up in Mount Shasta. More details to come as you will be able to come in person June 29, 30 and July 1st or sign up to participate the first two days via Zoom. Watch for more details in an upcoming email.

Lukas is 4 months old now and is naturally gravitating towards being a healing cat. He likes to lay on me when he gets the chance and purr. He came to the right family to pursue this gift! More to be revealed.....

I am happy to share that I am having a MODERN DAY MYSTICISM class on March 26. In this class we will explore Contemporary Mysticism which involves awakening Your Intuition. We all have it, but with many of us we spend too much time in the mind, and we do not trust our own ability to receive clear communication from Spirit. We are going to have some fun and explore the magic of Mysticism to make it more practical to use in your lives.

What is Mysticism?

- Mysticism if associated with Elevated Spiritual Knowledge often referred to secret knowledge that has been hidden.
- Mysticism can be described as an elevated state or vibration where we have access to Divine knowledge. This knowledge can be accessed through intent, meditation and allowing your belief system to expand to include communication with Spirit.
- Mysticism is often associated with Higher truths often considered Spiritual knowledge that is normally not accessible by the human intellect.

As we move forward, I am happy to announce a 4-week class we will be offering in April where we will be working with the wisdom and healing energies of the Dolphins.

Dolphins are master teachers, and they have a wealth of gifts to share with us humans. Every year, millions of humans seek out dolphin experiences as they follow their hearts. We just feel so good in their presence! This is true if we are with them in the physical or if we connect to them in the etheric. The Dolphins tell me they are on a mission to heal the hearts of humanity! They are chosen ambassadors of good will and have amazing abilities to help the human heal their emotional and physical bodies. In 2008 they told me that they are the designated Epigeneticists here on Earth. They have the power to change YOUR DNA

with your permission and upgrade your vibration. Would you like to know and experience more? Check out the webinar that starts Thursday, April 7th for 4 weeks, on our site. Come join us to learn more and befriend the Dolphin Community. Amazing things happen when we work with their advanced energies and intelligence.

Starting in May we are going to offer a very powerful but practical 4-week Workshop called “Expand Your Consciousness.” They will be held on Thursdays and you do not need to be present to participate. These 4 classes are dedicated to helping you make a real difference in your vibration and in the Spiritual processes you can use to change almost everything. Are you ready to Change that which is not working in your life?

Remember that the SOLUTIONS to your CHALLENGES are NOT in the same place. In order to Create sustainable Changes in our lives, we must LIFT OUR VIBRATIONS to claim a better or higher level of Communication with Spirit. Is it time for you to devote YOURSELF to raising Your Vibration, and deepen Your understanding, and remembrance of Who you really are?

We can assist you in Your Awakening. It is time to Heal your Physical and Emotional bodies so that you can live Your Mission and experience the path of great Joy! Hope you can join us for more enlightenment, fun and core level healing. This workshop starts Thursday May 5.

CONNECTING to LEMURIA

Aloha Beloved Ones!

We hear the calling to Paradise once again, it is a place that our soul knows well, a place of eternal beauty and peace. As Light Workers and people who are committed to creating “Peace on Earth” we are called to connect to ancient Lemuria to re-birth the

template of Unity. We are One with all life everywhere and it is our destiny to create it in our lives and share it with others! It is time to return to living and creating from the Sacred place of our hearts. Do you feel the call to reconnect and perhaps return to paradise to co-create with the Ancient way showers of our

planet, we call the Whales and Dolphins? Will you join us now on this journey into our Lemurian past?

If you are connecting now to the energy of the word Lemuria, you once walked upon our planet during the first Golden Age. You were embodied and existed in your Light Body while still in physical form, and you played among the dolphins and Angels and communicated directly with the Great Whales in the oceans. During this ancient time, your gifts were fully activated that allowed you to be fully clairvoyant and clairaudient. Communications among us were open and free and all were tuned to the energies of the "pod mind", which is living and creating for the good of the many where everyone benefits. You existed in Service to the Light of our Creator and you were a Conscious Creator, co-creating with others for the highest and best good of all there is! It is time to remember more my Lemurian friends!

Aloha,
Laurie Reyon, Lauren Galey, Master Cat Puddah – Seth and many more!

Healing with the Whales.**

The whales are the elders on our planet with some 300 plus million years of experience. The Humpback whales have shared with me that they are here as stewards for humanity and always have been. They have amazing healing abilities. However, never before have we specifically worked together to disable a virus. The Whales have shown me a process to summon them etherically. They have said they will answer the call to come to specific homes and people that ask for their help, and they will disable the virus if it is present. They will also create a Shield of Light around the people that ask for this healing and they will create an instant immunity to

the corona virus. The virus will be repelled with this harmonic and the new resonant Shield of Light using scalar waves. The virus will then be harmless to those that choose to upgrade their physical vehicles with the assistance of the Great Whales.
