"Ascension Guidance for the New Earth"  
March 2023

## *The Creation Station*

With Laurie Reyon & Master Cat Puddah-Seth

Hello Soul Family,

We hope everyone is integrating the powerful energies that we are receiving these past weeks. The Solar flares have increased and magnified. Know that we are never given more than we can process, but we do need to remember that during this influx of energy, to stay grounded and centered. The timing for all of this energy is for humanity to continue to embody and carry more and more light as we transform into our Light Bodies. The carbon-based body we inhabit is changing into a crystalline body with a much higher vibration.

We start each day with a Unity Breath meditation to balance the energy in our body. Breath the energy of the Earth and the Elementals up into your heart. Then connect to the portal of the Sun and breath that energy down into your heart. This balances the feminine and masculine energies and also triangulates when you bring your consciousness into you heart.

We are very excited to announce a wonderful and transformative virtual Retreat March 18 and 19. It is called Expand Your Consciousness with ten powerful and enlightening speakers. Master Puddah and I are co-creating this event with Lauren Galey of New Earth One.

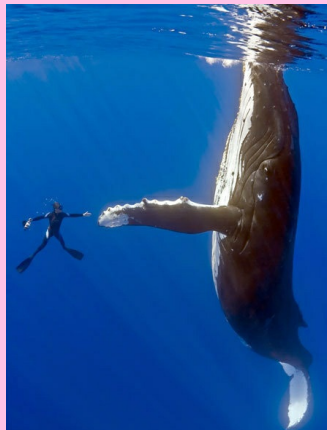

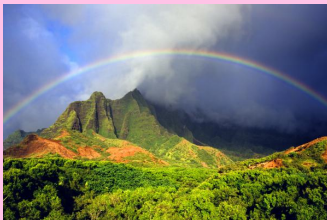

My Guidance told me to share that it is time to REMEMBER Who You Really Are, and it is time to STEP UP and CLAIM your Unique and Special Gifts.

Our Speakers will offer their wisdom and healing, and they are dedicated to bringing their gifts and processes to others. We will immerse ourselves in powerful fields of LIGHT, claiming more wisdom and creating a HIGHER VIBRATION for everyone to claim. Join Lightworkers from all over the world as we assist in Raising our Personal and Collective Vibrations.

You can participate on Zoom live, or you can watch the Replay at your convenience. You won't want to miss the message from our Keynote Patricia Cota-Robles from [eraofpeace.org](http://eraofpeace.org). She is one of the most popular and powerful sought after International Speakers. She channels the Company of Heaven and will bring us all into a coherent loving vibration.

We are also proud to host, Peter Tongue, Grandma Chandra, Laura Eisenhower, Anrita Melchizeke, Celia Fenn, Elizabeth Wood, Emmanuel Dagher and Lauren Galey. Master Puddah and I will be offering a Light Body activation with the White Whales and DNA calibration with the Dolphins. Check out all the details at [LaurieReyon.com](http://LaurieReyon.com).

Lauren and I are also hosting our second year of a Lemuria Awakening Retreat June 19-22 in Southern CA. Last year we created this event up at

Mount Shasta with almost 300 people participating. The information that was shared regarding our Lemurian heritage and memories from the first Golden Age was transcendent! This will be a continuation of this remembered knowledge and a Re-Union of Souls. You can come in person or participate online.

Take look at the schedule!

Have a wonderful March, be well, and take good care! You are loved and supported beyond your imagination and this is the time we have all waited for, to be alive and available to help birth the new energies that will create Heaven on Earth.

*Many Blessings to each of you!*

REPLAY**

Over 8000 have successfully experienced this  
Healing with the Whales.**

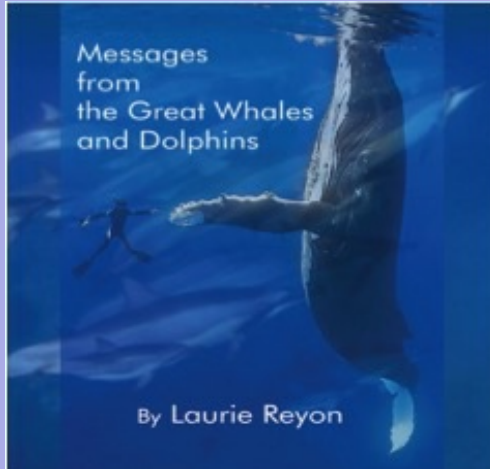

**The whales are the elders on our planet with some 300 plus  
million years of experience. The Humpback whales have shared with me that they are here as  
stewards for humanity and always have been. They have amazing healing abilities.  
However, never before have we specifically worked together to disable a virus. The Whales have  
shown me a process to summon them etherically. They have said they will answer the call to  
come to specific homes and people that ask for their help, and they will disable the virus if it is  
present. They will also create a Shield of Light around the people that ask for this healing and  
they will create an instant immunity to the corona virus. The virus will be repelled with this  
harmonic and the new resonant Shield of Light using scalar waves. The virus will then be**

harmless to those that choose to upgrade their physical vehicles with the assistance of the Great Whales.
