"Ascension Guidance for the New Earth"
March 2024

The Creation Station

With Laurie Reyon & Master Cat Puddah-Seth

Hello Soul Family,

I am very happy to announce that March 3rd is Master Cat Puddah's 16th Birthday! I have shared almost every aspect of my life with this precious and powerful Soul! The Soul of Master Puddah is an aspect of the ancient and wise Being known as Seth. In the last ten years we have enjoyed the opportunity to Channel Seth through Master Cat Puddah and bring forth so much wisdom. Seth is a Cosmologist and has full knowledge of the Origins of our Galaxy and our planet. I

have said many times that I have learned almost everything I know about Metaphysics and Spirituality from the animals, and the many Puddah's have been the voice and teacher for me since 2001.

The joy, love, and freedom I share with Puddah has led us on many journeys, as we have traveled all over the world together. She has asked me to take her to Sacred sites for many initiations in the early years. She taught me to talk to the Dolphins while I was living in Mexico and the Whale messages started soon after. In this incarnation she has been a water cat, swimming in the pool of her own accord and loving going out on the Dolphin Boat trips here in So CA, in Hawaii and in Bimini. We have attended numerous Kryon events over the years where we do Whale Healing sessions together and she lies right on the Client's body, working with the Whale energy for accelerated healing. I thank Lee Carroll and Kryon for their support in hosting us as Sacred partners, bringing the Whale Healing to many locations including Canada and Mexico.

Master Puddah wanted to write the script for a film back in 2012 and I agreed. Over the next 3 years we created the film Ascension Guidance, which is now free and available to everyone on our website. It is the first film of its kind where the script was written by an animal, including some Dolphins and Whales!

Master Puddah continues to Channel through on Living in the Heart, Self-Empowerment, Telepathic Communication, and on

our Galactic lineage and many Star families. We offer many classes under the umbrella of "Speak to Seth."

In recent times she teaches on Time Travel, Youthing and Anti-Aging with the Whales.

She is a huge part of the classes and training that are a part of our Whale and Dolphin Energy Light Medicine School training. New classes start on April 7 for those that want to train to become a Certified Professional Whale and Dolphin Healer.

A few months ago, we had her blood tested and the Veterinarian said she is 3 years old! I said no, she is 15 years old. He did not detect any signs of aging and was confused.

Over the years Master Puddah has demonstrated her ability to "beam out" of the room and appear somewhere else. You cannot contain her or shut her in, as she just beams out and goes where she chooses. She tells us we will be able to activate this gift very soon.

She is definitely different than other animals that I have known and lived with and remains a constant source of fun, great love and humor! She loves to tell jokes!

Currently I am living with the 3rd female Master Cat Puddah, who was born on March 3, 2008.

As we celebrate Puddah's 16th Birthday in March we have decided to choose a few of her most popular Channelings to share. We hope you enjoy them!

We are very excited about the upcoming Workshop on Saturday, March 9th called DRAGONS and WHALES

2024 is the year where the Golden Dragons are emerging from the inner core of Gaia. As humanity has continued to raise their vibration, it is appropriate that we can now connect to the wisdom of "Dragon Consciousness."

Dragons are Ascended Ancient Wisdom Keepers and hold many of the Codes of Divinity and Creation which will assist us in establishing Unity Consciousness on our planet. They are Ascended Beings and tell me that it is time for many Light Workers to make a conscious intention and effort to connect with them. The Golden Dragons within the Earth are awakening now and connecting to the Great Whales who are the Elders on Earth. Together they are working the Dragon Ley Lines, aligning the Crystalline Unity Grid of Divine Love, and further activating and expanding the Merkaba field of Mother Earth.

The Whales and Dragons are our Elders and are seeking to

connect with humans that want to work with them to further the expansion of Christ Consciousness and support of all humanity.

Healing with the Whales.**

The whales are the elders on our planet with some 300 plus million years of experience. The Humpback whales have shared with me that they are here as stewards for humanity and always have been. They have amazing healing abilities. However, never before have we specifically worked together to disable a virus. The Whales have shown me a process to summon them etherically. They have said they will answer the call to come to specific homes and people that ask for their help, and they will disable the virus if it is present. They will also create a Shield of Light around the people that ask for this healing and they will create an instant immunity to the corona virus. The virus will be repelled with this harmonic and the new resonant Shield of Light using scalar waves. The virus will then be harmless to those that choose to upgrade their physical vehicles with the assistance of the Great Whales.
