## *The Creation Station*

With Laurie Reyon & Master Cat Puddah-Seth

Hello Soul Family,

Happy May!

This is my favorite time of the year, when you can see the flowers blooming everywhere, and we can enjoy warmer days and nights. New life comes back into full view after the colder winter months. I have such an appreciation for nature this time of year and it moves me into a deep place of gratitude.

**When I think of the first of May I remember the May baskets of my childhood. It was tradition to make a small basket of goodies or trinkets to give to the objects of your affection from the opposite sex. This was big in grade school and even into Junior High. It gave us a way to tell another that we liked them. I remember being very surprised sometimes with who gave me a May basket! You would get your parents to drive you to the home of the person you wanted to give a May basket to. Then go to the door and ring the door bell. You then set the basket down by the door and started to run to your car. When they answered the door, they were supposed to chase you and if they caught you, give you a kiss. It's funny how this tradition died out as when we were kids we really looked forward to it.**

**I find myself experiencing so much gratitude for all that I have and all that is given. I know we are right in the middle of one of the greatest shifts humanity has ever experienced. Master Puddah comments on a regular basis on how more of the old negative limiting world is melting away.**

**She reminds me that the road to the New Earth is clearly under construction now. Sometimes living in the construction zone for the New Earth can be noisy and loud, but we must be patient and attentive to our path. It is clear that the old control-based systems and structures are dissolving right before our very eyes, and a new heart-centered reality is emerging. People are taking their power back and standing up for their beliefs more than ever.**

**They say that the solution energy for the challenges we have, are never where the problems are. The answers are always in a higher vibration. So, we must go there, into the higher vibrations each day to align with our own solution energy and that which is best for humanity. Doing this will build your vibration and strengthen your faith. Also, we will help to create the new foundation that is birthing a new reality that supports, respects, honors ALL of humanity, rather than just a select few.**

**We are seeing the emerging of Global Citizenship, which is sharing and caring for all.**

I am spending my time right now in a high celebratory energy for the creation of our Lemurian Awakening Retreat in June in Mount Shasta. I have been called to create and offer Lemurian Retreats since 2010, mostly on one or more of the Hawaiian Islands. It is in my blood and brings me such joy to revisit the 1<sup>st</sup> Golden Age of Lemuria in memory and in assisting in every way that I can to bring it back to this reality.

This year our Lemurian Awakening Retreat is June 29, 30 and July 1<sup>st</sup> up at Mount Shasta. We are offering it live at the Best Western Doubletree and also via live stream for our internet participants. We have a wonderful amazing panel of International Speakers to present on the topic of Lemuria from their unique perspective and expertise. This is perhaps the most important event I have been asked to create in this lifetime! I am co-creating with Lauren Galey of New Earth One and we promise you a life changing experience.

Master Puddah and I will be sharing our cutting-edge Light Body activations with the Great White Whales and also Dolphin DNA Calibrations with the Ascended Dolphins who are the Epigeneticists of our world. Expect to shift as you reclaim your original Divine power and tap into your own unique Mastery! We will guide you into connecting to the Ancient Lemurians who live under Mount Shasta in a place called Telos. We will be guiding a Global Water Blessing at the head waters of the Sacramento River in Mount Shasta. We will be guiding a ceremony on the slopes of Mount Shasta on July 1<sup>st</sup> for those who can attend in person.

I am also so very happy to announce that **DR. TODD OVOKAITYS** will be speaking at the event. Kryon refers to Dr. Todd as the first human from Lemurian times, that built the Lemurian Healing temples of rejuvenation. Dr. Todd has continued his amazing medical breakthroughs in this lifetime and the focus of his presentation at Mt Shasta will be on the use and experience of tonal resonance and harmonics. Dr. Todd also works with advanced inter-dimensional light frequency technology. He will share a brief overview of their work with a profound type of stem cell that resides dormant in everyone that can be activated for profound age reversal effects. Thus far he has seen a 3 years biological age reversal at the DNA level per treatment. He will be presenting this information at Mt Shasta for the first time!

**Dr. Todd worked with Dr. Emoto in Japan a few years ago and**

they were able to prove that the Whale Sounds are the most powerful healing sounds that we know of. The Humpback whale song cleared the filthy Tokyo tap water and turned the water crystals in star tetrahedrons, which is the geometry of the Light Body. Dr. Todd is one of the few people that can sing the whale sounds and will be demonstrating this and sharing what he has learned from our great whale elders.

Please take a look at the other amazing speakers that are a part of this event. They are each powerful and amazing in their own right. We hope your heart calls you to join us for the Lemurian Awakening Retreat!

Here is Southern CA we are beginning Blue Whale season. I am blessed to live in an area that is visited by the largest creature on the planet, who are the Blue Whales. They come every year in April or May and stay until late summer or early

fall. There is no other experience that can compare to seeing a Blue Whale in person.

I felt them announcing their presence in our waters this morning when I woke up and felt to share with all of you. Connect to the Big Blue Whales where ever you are as they are amazing gentle giants reaching out to connect.

to have access to 4 different Recorded Sessions to  
use at your convenience.  
Over 8000 have successfully experienced this  
Healing with the Whales.**

The whales are the elders on our planet with some 300 plus million years of experience. The Humpback whales have shared with me that they are here as stewards for humanity and always have been. They have amazing healing abilities. However, never before have we specifically worked together to disable a virus. The Whales have shown me a process to summon them etherically. They have said they will answer the call to come to specific homes and people that ask for their help, and they will disable the virus if it is present. They will also create a Shield of Light around the people that ask for this healing and they will create an instant immunity to the corona virus. The virus will be repelled with this harmonic and the new resonant Shield of Light using scalar waves. The virus will then be harmless to those that choose to upgrade their physical vehicles with the assistance of the Great Whales.
