With Laurie Reyon & Master Cat Puddah-Seth

Happy Spring Soul Family!

Time is passing so quickly! Here we are welcoming in Spring and all of the new growth and flowers blooming! I was blessed to drive out into the CA desert this past weekend to see the Superbloom! The hills and fields are blooming with all types of beautiful wild flowers after so much rain. It reminded me how important it is to get out into nature as often as possible and enjoy the beauty Mother Earth

provides for us.

Master Puddah went with us, as she LOVES the car. We had a lovely lunch outdoors at a little café in Julian. It was a wonderful relaxing day of gratitude and watching how the people stopped by to see Puddah sitting at our picnic table having her lunch. She was a rock star greeting everyone!

The Whales and Dolphins have been asking for a chance to teach and have their own class. I have set up a 4 week workshop called WHALE & DOLPHIN WISDOM, COMMUNICATION & HEALING starting May 25th through June 15th. This class is on 4 Thursdays from 4-6 pm pacific. You need not be present to participate as you can watch the replays. We will be working with the Great Humpback Whales, Blue Whales and Gray Whales. You will learn some communication techniques, channeling and experience their amazing and vast healing abilities. Also, you will meet and experience the amazing bottlenose Dolphins and their ability to calibrate our DNA. It is going to be powerful and fun!

I want to remind you that we are very excited to be Co-Creating the second LEMURIA AWAKENING Retreat in Southern CA June 19-22 with Lauren Galey of New Earth One. We have 11 expert Speakers in Lemurian wisdom and healing. They will present at the conference held at the Marriott in San Juan Capistrano on June 19 and 20th. You can also

participate ONLINE and by viewing the replays.

The 3rd day, on June 21st, there will be a Beach Ceremony where we build a medicine wheel in the sand, hold a sacred crystal Ceremony and Global Water Blessing. We will journey through the Crystal portal in the ocean, guided by the Whales to the Lemurian City of Telos under Mount Shasta.

The 4th day is the Summer Solstice, June 22 with an optional Whale and Dolphin Boat trip to see wild and free dolphins and whales from Dana Point Harbor. I will share channeled messages from the Cetaceans before the boat trip and then guide everyone in a Whale Healing meditation on the grass after the Boat Trip. Space is limited for the boat trip so be sure to make your reservation early. We have more Dolphins here than any other location in the world. We estimate ½ million dolphins just offshore. Sometimes we see so many dolphins, they call it a stampede. We never know what we will see, but it is always a wonderful day to connect to our fabulous Dolphin friends in the sea.

Check out this Amazing You Tube Video of a Thunderous Mega-Pod of Dolphins off Dana Point, California:

Lauren, Master Puddah and I are very excited about this event. It is a time to come together to remember the first Golden Age of peace. It is a time for a Soul Reunion and for everyone to have the opportunity to renew their Soul's Vows to create a world of peace in this lifetime!

Over 8000 have successfully experienced this
Healing with the Whales.

The whales are the elders on our planet with some 300 plus million years of experience. The Humpback whales have shared with me that they are here as stewards for humanity and always have been. They have amazing healing abilities. However, never before have we specifically worked together to disable a virus. The Whales have shown me a process to summon them etherically. They have said they will answer the call to come to specific homes and people that ask for their help, and they will disable the virus if it is present. They will also create a Shield of Light around the people that ask for this healing and they will create an instant immunity to the corona virus. The virus will be repelled with this harmonic and the new resonant Shield of Light using scalar waves. The virus will then be harmless to those that choose to upgrade their physical vehicles with the assistance of the Great Whales.
