Laurie Reyon

Hello Soul Family,

Happy Spring! This is my favorite time of the year. I love it when the flowers are blooming, and new life is everywhere. We hope you are well and enjoying the new and powerful energies that are coming to the planet.

If you were looking for our April Newsletter, you now know we did not put one out. I had some health challenges and took some time to rest and re-balance. I am learning to receive, as in the past I just love to keep going as I

love everything that I do.

SO, overwhelm has been a challenge from time to time.

Over Easter I took a few days for a mini vacation. I drove up to Ventura with friends and saw more old friends. It was a wonderful trip and so good to be at the beach.

So beloved friends, remember to take good care of yourselves during this time of great change. There has never been a better time to take inventory of your physical and spiritual selves. I know that my spiritual processes have guided me through my challenges and offer me a daily vibration of love that I can count on. We are all in this together, so we invite you to do the same.

Remember to live and create from your hearts. Surrender the mind and any type of competitive thoughts. The Solution Energy you are seeking each day will come to you from your heart if you allow yourself to go there and become peaceful. Become your own best listener and know you are guided, supported and dearly loved.

I invite you to ask yourself these questions:

- What devotional Spiritual practices am I committing to using every day to keep my vibration high?
- How do I create joy and fun in my life every day?
- Am I willing to make the time every day to directly connect with nature and Mother Earth?
- Am I willing to forgive myself for not caring for my body and spirit in the past.
- Am I willing to claim a new and higher vibration where I can communicate with my Guides and Higher Self?

Check out our upcoming classes. We have a fun and powerful course starting in May called "The Language of Spirit" and an informative unique class with our Pleiadian Star Master friends. They are anxious to share their wisdom with us.

Many Blessings,
Laurie Reyon,
Master Cat Puddah-Seth and
SamuEL

CORONA VIRUS HEALING AND IMMUNITY SHIELD from the WHITE WHALES REPLAY

**Purchase Your ONLINE "Seat"
to have access to 4 different Recorded Sessions to
use at your convenience.
Over 8000 have successfully experienced this
Healing with the Whales.**

The whales are the elders on our planet with some 300 plus million years of experience. The Humpback whales have shared with me that they are here as stewards for humanity and always have been. They have amazing healing abilities. However, never before have we specifically worked together to disable a virus. The Whales have shown me a process to summon them etherically. They have said they will answer the call to come to specific homes and people that ask for their help, and they will disable the virus if it is present. They will also create a Shield of Light around the people that ask for this healing and they will create an instant immunity to the corona virus. The virus will be repelled with this harmonic and the new resonant Shield of Light using scalar waves. The virus will then be harmless to those that choose to upgrade their physical vehicles with the assistance of the Great Whales.

MEET THE PLEIADIANS! Brothers and Sisters of Light Saturday, May 22, 2021 1-4 pm., Pacific Time ONLINE Zoom Class

The Pleiadians are our brothers and sisters of great Love, emanating from the 5th Dimensional realm of peace. It is their desire to connect with us and create relationships where we can receive their blessings, wisdom and advice.

They are observing our spiritual process and seek to help us with our awakening to the truth of Who we really are. The Pleiadians are a part of the Divinely orchestrated star seed experiment where humanity was given 12 strands of DNA approximately 200,000 years ago. They are Master Healers and are committed to assisting us in many ways as we awaken. The Pleiadians were present and among us during Lemurian times.

Seth and my Guides have wanted me to remember them and know them. We first opened communications when I lived on the beach in Baja, Mexico in 2002. Since that time, we now have frequent conversations and I very much love and trust them. I am excited to be the liaison for you to meet three of my friends, who are beautiful Pleiadian Emissaries of Light! It is time.
