Laurie Reyon

Hello Soul Family,

I Am writing to you with a positive outlook and a healing heart. You may have noticed that we did not put out a newsletter in July and August? I had a fall and then hospitalized for a while. Spent some weeks recovering and getting strong enough to walk without a walker. Then I had a health challenge which I am working with now. So, I have taken some time to go within and work with my Higher Self and time to rest and recover. I want to thank everyone for your prayers and support!

The Whales have been with me and working through me every day. Together we are presenting an amazing workshop unlike any other that I have offered before. It is called Whales of the World and it starts Sept 16. We will work with Blue Whales, Gray Whales, Humpback Whales and Orcas. Check it out on our site (LaurieReyon.com) if you are guided. Each species of Whale has so much to share with us. Remember the Whales are the Elders on the planet and carry the wisdom of the ages. Also, each type of Whale has information to share that is species specific. Hope you can join us!

On another note, I start the 4th year Class of Whale and Dolphin Energy Light Medicine School in October. Have you felt the calling to explore your Healing abilities and to expand your consciousness. Our School is amazing and broken down into two Modules. You can enroll to work toward becoming a professional certified Whale and Dolphin Healing Facilitator, or just take the classes for your own personal growth. Module One is taught by the great Humpback Whales as they teach us about 12 Templates to help the human create Light Body. Module Two is taught by 12 Ascended Dolphins that teach us to work with the 12 strands of DNA as they re-calibrate it for the client. The Whales have shared that this work will go around the world and become well known. People are waking up to who the Cetaceans really are and will seek their help to restore their physical forms and raise their vibrations. We are already in 13 countries and the Manuals are being translated into three languages. We are very excited about the new class and new students ready to dive in!

Be sure to check out our site to see more upcoming high vibrational classes!

We have Manifest! Living in Solution Energy on Oct 17, Activate Your Living Merkaba on Nov 14, and an Animal Communication Class on Dec 12.

Be well my friends. Take care to nurture yourselves during this time of great change. Let go of your fears and embrace your Soul's mission. You are a Divine Being of Light having a human experience. It is time to further awaken and remember. It is time to activate your God given gifts. You are so dearly Loved!

Blessings,
Laurie Reyon,
Master Cat Puddah,
and SamuEL

CORONA VIRUS HEALING AND IMMUNITY SHIELD from the WHITE WHALES REPLAY

Over 8000 have successfully experienced this
Healing with the Whales.**

The whales are the elders on our planet with some 300 plus million years of experience. The Humpback whales have shared with me that they are here as stewards for humanity and always have been. They have amazing healing abilities. However, never before have we specifically worked together to disable a virus. The Whales have shown me a process to summon them etherically. They have said they will answer the call to come to specific homes and people that ask for their help, and they will disable the virus if it is present. They will also create a Shield of Light around the people that ask for this healing and they will create an instant immunity to the corona virus. The virus will be repelled with this harmonic and the new resonant Shield of Light using scalar waves. The virus will then be harmless to those that choose to upgrade their physical vehicles with the assistance of the Great Whales.

**ACTIVATING YOUR MERKABA
Light Body Workshop
Sunday, November 14, 2021
1-4 pm., Pacific Time
ONLINE Zoom Class**

I was a student of Drunvalo Melchizedek and have studied the Flower of Life Teaching for several years.

Activating my Living Merkaba was one of the single greatest gifts that I have ever given to myself. My life changed dramatically for the better immediately after

accepting and stabilizing the Galactic frequency of the Merkaba in my life.

I began to manifest much more easily and quickly! I found that the Universe was now synchronized to bring me new clients and Law of Attraction was evident in my daily life.

If you are a student of Life and Metaphysics, and seeking to raise your vibration, this workshop could greatly benefit you. However, tap into your own heart first, as this is a life changing process and it operates on your ability to truly love yourself.
