

# **WHALES OF THE WORLD**

## **Sharing Wisdom and Communication with the Planetary Elders and Laurie Reyon**

**4 week Workshop on Thursdays:  
September 16, 23, 30, and  
October 7, 2021  
ONLINE via Zoom**

**You need not be present to participate as  
the class will be recorded and posted on a  
private replay page.**

**The Cetacean's have lived here on Planet Earth for over 300 million years. They  
are way showers and stewards demonstrating life outside of duality,  
immersed in vast waves of love.**

**They have never experienced war or a life outside of love.**

**Would you like to learn from them?**

**I am an Animal Communicator and I specialize in Whale and Dolphin  
communications in 1999.**

**In this 4 Week Course we will learn from:**

---

**Great Humpback Whales** — The Humpbacks are the healers of the healers for humanity, as they are here to assist us in many ways. Humpback whales have the ability to access **your Akashic Records and your original Soul Divine Life Blueprint. You are offered a opportunity for healing and to access your original state of existence.**

---

**Blue Whales** — Largest creature on the Earth with powerful neuro electrical gifts to align Gaia's grid systems. They have shared that they function in their physical embodiments as neural-electricians for Mother Earth. They then realign the magnetic fields of energy as needed to correspond to the star fields and other planets that are currently influencing the electro-magnetic fields of that area. They have said they are the physical "electricians" for the Earth.

---

**Gray Whales** — Whales with the longest migration, teaching endurance and deep levels of forgiveness to humanity. Forgive, forget and atone. If you are still seeing yourself as a victim, then you are not taking responsibility for your part in co-creation. When you see the manifestation of your co-creations, what it teaches or reminds you, then you are able

to move beyond victimization and truly forgive and forget.

---

**Orca Whales** — Largest of the dolphins and smallest of the toothed whales. Orcas teach you to become aware of your own authenticity. Only then can you be completely honest with yourself and know what vibration you are offering each day. When you fail, and your vibration falls, simply forgive yourself and use the tools that are given to rise back up to your full power, where you are consciously creating again. In essence, it is time to love yourself enough to value your vibration and your ability to access what you are really feeling.

---

**Experience merging consciousness with the Whales.  
They will shift your belief system and help you stop  
living small with limitations.**

**As we awaken to the truth of WHO WE REALLY ARE, we also remember the ancients on our planet, the Great Whales. The Whales are our Elders and offer us an opportunity as humans to unlock the mechanisms within us and open the “Crystalline Seals”. The Great White Whales have shared that they are the “Keepers of the Codes of Creation”. They are our Galactic Ancestors and seek now to connect with humanity to activate our dormant DNA encoding.**

---

***In this Course  
the Whales will  
share the  
concepts of  
HAWAIIAN  
HUNA. The  
Whales are the  
original  
Kahunas.***

***Huna is the name and practice of wisdom, healing and spiritual shamanism of ancient Hawaii.***

***We remember Lemuria in these teachings.***

***IKE (ee-kay) - The world is what you think it is.***

***KALA - There are no limits.***

***MAKIA (mah-kee-ah) - Energy flows where attention goes.***

***MANAWA (man-ah-wah) - Now is the moment of power.***

***ALOHA - To love is to be happy with (someone or something).***

***ANA - All power comes from within.***

***PONO - Effectiveness is the measure of truth.***

## ***Channel from the White Whale Vedekata on Balance with Laurie Reyon***

We the Whales and Dolphins, advise you to move deep into your Sacred Heart space every day in the morning time and balance the Diving feminine and masculine energies within your body. As you connect with Mother Earth and Father Sun you are accessing the highest potential of balanced energy available to you as a human. Then move consciously into your Sacred Heart and tune to the crystalline transmissions emanating from the Earth's Grid system. Visualize the Earth Star Ascension Portal and connect your energy to the pathway that is being created for us to Ascend. Ask to release any fear, trauma, pain or unresolved anger from your body and mind. The Whales and Dolphins are anxious to assist you in clearing all realms of your existence and begin to integrate the new multidimensional frequencies that are yours to claim. You are becoming a "Light Being" and this is the lifetime you have waited for. We ask you now to turn your consciousness to the truth and wisdom of Who You Really Are.

**Namaste and Many Blessings!**

**I Am Vendekata**

**- Voice of the Great White Whale Council**

### **WHY STUDY AND WORK WITH WHALES?**

**The Whales are the most ancient and spiritually advanced Souls on our planet.**

**They tell us that it is time to upgrade our systems and make a conscious quantum shift within our own operating systems.**

**There is no comparison when working with a planetary elder. The Whales can assist you with everything in your life if you will open your belief system to the unlimited possibilities.**

**Their Energy Medicine Systems of pure potentiality can create an instant upgrade for you. The processes work with your intention to heal and expand your consciousness.**
